SUMMARY REFLECTIONS
OF THE
WORKSHOP
The Four Functions of Scholarship:

1. Scholarship of Discovery
2. Scholarship of Integration
3. Scholarship of Application
4. Scholarship of Teaching
Take-Home Questions
Per Boyer’s Scholarship Framework

1. **Discovery**: What are the new questions or research you might now want to pursue?
2. **Integration**: What ideas have you discovered from other disciplines that you might integrate into your own setting?
3. **Application**: How might you apply your new knowledge to consequential problems in Disaster Health?
4. **Teaching**: When you mentor/teach others, how might this workshop inform your approach?
